

PREFERRED CARE OF THE VIRGINIAS

Membership Directory

February 2009

This panel is subject to change. Please verify participation with the individual provider.

The EIMCO Plan provides tertiary networks to assist you with healthcare needs that cannot be provided locally. These tertiary networks include: VHN/Carilion; BeechStreet, Wake Forest Hospitals and Physicians and Fresenius. These networks require an Out-Of-Network referral in order to receive the maximum reimbursement benefits.

Should you need to seek healthcare services from a provider that is not on this listing, contact your Primary Care Physician, Specialist or the PHO office to request and Out-Of-Network Authorization.

Benefits will be reduced if an Out-Of-Network Authorization is not obtained.
